Houdini, Inc. Recalls Gift Baskets with Quaker Oats Chewy Granola Bars Because of Possible Health Risk

Wine Country Gift Baskets / Houdini Inc. of Fullerton, CA is taking precautionary measures of voluntarily recalling all gift baskets produced with Quaker Chewy Granola bars due to a recall by the Quaker Oats company because it has the potential to be contaminated with Salmonella, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis. Wine Country Gift Basket/Houdini Inc. is committed to providing only the highest quality of product and is taking this action out of an abundance of caution in the interest of consumer protection.

Gift baskets were distributed throughout the US via online sales and through Amazon.com.
