### **3. Brand Names**

- A. Brand names and numbers when used are for reference to indicate the character or quality desired. Whenever an article or materials is defined by describing a proprietary product or by using the name of a manufacturer, the term "or equal" if not inserted shall be implied. The specified article or material shall be understood as indicating type, function, minimum standard of design, efficiency and quality desired, and shall not be construed as to exclude any other manufactured products of comparable quality, design, and efficiency.
- B. Equal items will be considered, provided the bid clearly describes the item. Bids for equal items shall state the brand and number or level of quality. The determination of the County as to what items are equal shall be final and conclusive.
- C. When brand, number or level of quality is not stated by the bidder, it is understood that the bid is exactly as specified.

Items modified or designed specifically to meet these specifications which are not normally standard items in the industry will not be considered. This does not preclude the changing of minor ingredients or components to those specified, so long as proper engineering and testing has occurred and documentation is furnished with the bid and the County is supplied with acceptable, fully functional and operational materials or equipment.
- E. All workmanship and materials shall be of good quality. All materials and equipment shall meet all applicable and current OSHA, EPA, Federal, Arizona State and industry regulations and standards in effect at delivery.

- F. Bidders shall be responsible for any and all licenses or permits required by the regulatory agency of the State of Arizona that apply to the performance of this contract.

  - H. The evaluation of bids and the determination of acceptability of the supplies, equipment, materials, or services bid shall be at the sole responsibility of the County and will be based on information furnished by the bidder, or identified in the bid, as well as other information reasonably available to the County. The decision of acceptability made by the County shall be final.
- 4. Samples.** Sample items, when requested, shall be furnished free of cost of any sort to the County. Samples of items selected may be retained for future comparison. Samples which are not destroyed by testing or which are not retained for future comparison will be returned upon request of the bidder.
- 5. Taxes.** All bid prices shall include ALL APPLICABLE TAXES including but not limited to: Arizona Vendors' Transaction Privilege (Sales) Tax; Out of State Vendors' Use Tax.
- 6. Indemnification.** To the fullest extent permitted by law, Contractor (as "Indemnitor") hereby agrees to defend, indemnify, and hold harmless Yavapai County and its departments, agencies, officers, officials, agents, employees, and volunteers (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including, but not limited to, court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused as a direct or indirect result of any acts or omissions of Contractor or any of its owners, officers, directors, agents, employees, or subcontractors. This indemnity includes, but is not limited to, any claim or amount arising out of, or recovered under, the Workers' Compensation Law or arising out of the failure of such Contractor to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is agreed that Contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. Contractor shall not be obligated to defend Indemnitee against any Claims or indemnify Indemnitee resulting solely from the negligence or willful misconduct of Indemnitee and not in any way resulting from any act or omission of Contractor or anyone directly or indirectly employed by Contractor or anyone for whose acts Contractor may be liable. Contractor agrees to waive all rights of subrogation against Yavapai County, its

departments, agencies, officers, officials, agents, employees, and volunteers for losses arising from the work performed by Contractor for Yavapai County. This indemnification shall survive the termination of this Agreement.

- 7. Default by Bidder.** In case of default by the bidder, the County may procure the items or services from other sources and may deduct from any monies due or that may thereafter become due to the bidder the difference between the price named in the contract or purchase order and the actual cost thereof to the County. Prices paid by the County shall be considered the prevailing market price at the time such purchase is made. Periods of performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the County.
- 8. Awards.** This contract will be awarded to the responsible bidder(s) whose bid conforms to the invitation and whose bid is the most advantageous to the County concerning price, conformity to the specifications and other factors. The Board of Supervisors of Yavapai County reserves the right to reject any or all bids, to waive formalities, and to accept the bid(s) deemed to be in the best interest of Yavapai County. Past performance on County projects or other public projects will be evaluated in awarding contracts, and the County may decide to award to a contractor who is not the low bidder. DEVIATIONS FROM COUNTY SPECIFICATIONS MAY RESULT IN REJECTION OF BID.
- 9. Payment.** Contractor understands that Yavapai County has established an Electronic Funds Transfer (EFT) program for all payments to providers of goods and services to the County and agrees to accept EFT payments in full satisfaction of the County's payment obligations pursuant to this Contract. Contractor further agrees to register for the County's EFT program within one month following the effective date of this Contract and understands that failure to comply with this registration requirement shall result in suspension of payments pursuant to this Contract until such time as the registration process is completed.
- 10. Termination of Contract.** Justification for termination of this contract shall include but not be limited to A.R.S. §38-511, workmanship, improper quality of material, insufficient workers, insufficient equipment, or budgetary limitations. The County may terminate or cancel this contract at any time for any reason, with or without just cause. Additionally, failure on the part of the Contractor/Vendor to meet the provisions of those sections of this Contract dealing with supply and/or delivery, start and completion of work, or complete installation procedures of traffic control where required shall be sufficient grounds on the part of the County to abandon, cancel or suspend the Contractor's/Vendor's services at any time. The Contractor/Vendor shall be paid for those units satisfactorily supplied or installed at the unit price bid up to the time of cancellation. The Contractor/Vendor shall be given thirty (30) days' written notice of termination. If termination of the contract should occur, the Department may, at its option, recommend to the Yavapai County Board of Supervisors

to award the contract to the second lowest bidding Contractor/Vendor or select to re-advertise and rebid the balance of the contract, or select not to rebid or award the contract.

**11. Delivery.** It shall be the bidder's responsibility to meet the delivery requirements of the County, as called for in the Technical Specifications. Delivery charges shall be separately listed on all invoices, quotes and sealed competitive bids in order to ensure that sales tax or use tax is not calculated on delivery charges. For all procurements, Yavapai County reserves the right to separately procure delivery services from a vendor other than the one providing the product.

**12. Israel Boycott Certification.** Contractor hereby certifies that it is not currently engaged in, and will not for the duration of this contract engage in, a boycott of Israel as defined by ARS §35-393.01. Violation of this certification by Contractor may result in action by County up to and including termination of this contract.

**13. Cooperative Use of Contract (aka Piggy-Back Clause).** This agreement may be extended for use by other governmental agencies and political subdivisions of the State including members of SAVE (Strategic Alliance for Volume Expenditures). Any such usage by other entities must be in accordance with the laws, ordinances, rules and regulations applicable to such entity, and the approval of the Contractor and the County. The provision of goods or services to other agencies under this contract does not absolve the Contractor from fully complying with the requirements set forth within the contract for materials and services to be provided to the County under this contract. Any attempt to represent any material and or service as being under this contract with Yavapai County which is not a subject of, or an addition to this contract, is a violation of the contract. Any such action is subject to legal and contractual remedies available to Yavapai County including, but not limited to, cancellation or suspension of the contract.

In the event that another governmental agency or subdivision chooses to use this agreement for procurement purposes, the procuring party shall be solely responsible for the ordering of materials, services or construction under this agreement. Payment, inspection and acceptance of goods or services ordered by the procuring party shall be the exclusive obligation of the procuring party. County shall not be liable in any way for alleged or actual violations by the procuring party or Contractor, and the procuring party shall hold County harmless from any liability which may arise from the action or inaction of the procuring party. Contractor agrees to look solely to the procuring party in pursuing all legal remedies that may be available to Contractor for acts or inaction of the procuring party.

The procuring party shall not use this agreement as a method for obtaining additional concessions or reduced prices for similar products or services.

## 14. Protests.

- A. Any Interested Party may file a protest. In order to be timely, a protest must be submitted, in writing, to the Finance Department no later than 5:00 p.m. on the tenth calendar day after the date that the notice of intent to award was sent and the procurement file was made available for public inspection by the Purchasing Supervisor.

An Interested Party may request an extension of the time limit for filing a protest by submitting in writing a request for extension for good cause. The Finance Director shall approve or deny the request in writing. If the extension is approved, a new date for submission should be determined. Protests that are not submitted in a timely manner to the Finance Director shall be rejected.

A protest shall contain all of the following (failure to provide any of the following is grounds for the Finance Director to reject a submitted protest):

1. Name, mailing address and telephone number of the Interested Party;
  2. Identification of the solicitation or contract giving rise to the protest;
  3. A detailed statement of the legal and factual grounds of the protest including copies of relevant documents;
  4. The signature of the Interested Party or the Interested Party's representative; and
  5. The form of relief requested.
- B. The Finance Director shall not consider a protest unless the protest contains facts and evidence that, if true, would establish one or more of the following:
1. A material violation of the issued solicitation;
  2. A material violation of this Section;
  3. A failure to correctly apply the criteria set forth in the solicitation;
  4. A failure to correctly apply or calculate the scoring of responsive proposals that were not rejected by either the evaluation committee or the Purchasing Supervisor; and/or

5. A bias exercised by one or more of the evaluation committee members or the Purchasing Supervisor in the solicitation process, excluding a bias that arose during the evaluation process due to how well one or more proposals met the criteria established in the solicitation.

C. The Finance Director shall not consider a protest if:

1. The protest is based on a rejection by the evaluation committee or the Purchasing Supervisor for failure to conform in all material respects to the requirements of the issued solicitation or other reasonable grounds set forth by the evaluation committee or the Purchasing Supervisor; or
2. The protest is based on a rejection by the Purchasing Supervisor for failure to attend a mandatory pre-proposal conference.

D. If the Finance Director determines that a protest is timely and otherwise complies with this Section and other applicable law, the Finance Director shall:

1. Dismiss the protest without holding a hearing and issue a corresponding written dismissal if the Finance Director determines that the facts and/or evidence in the protest, even if true, are insufficient to uphold the protest;
2. Uphold the protest without holding a hearing and issue a corresponding written decision if the Finance Director determines that the undisputed facts of the protest establish that the protest should be upheld; or
3. Hold a hearing on the protest if there are genuine issues of fact or law that need to be resolved in order to determine whether the protest should be denied or upheld, and, subsequently, issue a written decision in response to the protest.

E. If the Finance Director dismisses or denies a protest pursuant to this section or other applicable law, Yavapai County may enter into a contract with the vendor who was issued the applicable notice of intent to engage in contract negotiations.

If the Finance Director upholds a protest, the Finance Director shall also determine how Yavapai County shall proceed regarding the issued solicitation, including, but not limited to, directing the evaluation committee or the Purchasing Supervisor to engage in the evaluation process once again with specific directions to engage in or omit certain actions, re-issue the solicitation, or cancel the solicitation.

The Finance Director shall promptly issue a written decision regarding any protest and disseminate the written decision by mail, email, or otherwise furnish a copy of the written decision to the protestor. A protestor may not file an action, appeal, or

otherwise, regarding a written decision issued by the Finance Director in response to a protest with any appeals panel, court, or any other forum.

Notwithstanding anything in this Section to the contrary, Yavapai County and the protestor may settle a protest by mutual agreement.
