- 8.2 Formation of Contract.** A submitted Offer in response to this Solicitation is an offer to contract with County based upon the terms, conditions, scope of work, and specifications contained in this Solicitation. In order to be timely, a protest must be submitted, in writing, to the Finance Department no later than 5:00 p.m. on the tenth calendar day after the date that the notice of intent to award was sent and the procurement file was made available for public inspection by the Procurement Supervisor.

An Interested Party may request an extension of the time limit for filing a protest by submitting in writing a request for extension for good cause. The Finance Director shall approve or deny the request in writing. If the extension is approved, a new date for submission should be determined. 9.3 The Finance Director shall not consider a protest if:

- 9.3.1** The protest is based on a rejection by the evaluation committee or the Procurement Supervisor for failure to conform in all material respects to the requirements of the issued solicitation or other reasonable grounds set forth by the evaluation committee or the Procurement Supervisor; or
- 9.3.2** The protest is based on a rejection by the Procurement Supervisor for failure to attend a mandatory pre-Proposal conference.

9.4 If the Finance Director determines that a protest is timely and otherwise complies with this Section and other applicable law, the Finance Director shall:

- 9.4.1** Dismiss the protest without holding a hearing and issue a corresponding written dismissal if the Finance Director determines that the facts and/or evidence in the protest, even if true, are insufficient to uphold the protest;
- 9.4.2** Uphold the protest without holding a hearing and issue a corresponding written decision if the Finance Director determines that the undisputed facts of the protest establish that the protest should be upheld; or
- 9.4.3** Hold a hearing on the protest if there are genuine issues of fact or law that need to be resolved in order to determine whether the protest should be denied or upheld, and, subsequently, issue a written decision in response to the protest.

9.5 If the Finance Director dismisses or denies a protest pursuant to this section or other applicable law, Yavapai County may enter into a contract with the vendor who was issued the applicable notice of intent to engage in contract negotiations.

If the Finance Director upholds a protest, the Finance Director shall also determine how Yavapai County shall proceed regarding the issued solicitation, including, but not limited to, directing the evaluation committee or the Procurement Supervisor to engage in the evaluation process once again with specific directions to engage in or omit certain actions, re-issue the solicitation, or cancel the solicitation.

The Finance Director shall promptly issue a written decision regarding any protest and disseminate the written decision by mail, email, or otherwise furnish a copy of the written decision to the protestor. A protestor may not file an action, appeal, or otherwise, regarding a written decision issued by the Finance Director in response to a protest with any appeals panel, court, or any other forum.

Notwithstanding anything in this Section to the contrary, Yavapai County and the protestor may settle a protest by mutual agreement.

It is agreed that Contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. Contractor agrees to waive all rights of subrogation against Yavapai County, its departments, agencies, officers, officials, agents, employees, and volunteers for losses arising from the work performed by Contractor for Yavapai County. If this Contract is subject to the limitations of A.R.S. § 41-2586, the agreement to indemnify, defend and hold harmless shall not be construed to require more indemnification than is allowed by that statute.

Should Contractor fail to perform said replacement and/or repair to County's satisfaction within a reasonable period of time, County may correct or replace said defective or nonconforming materials and recover the costs thereof from Contractor. This warranty shall not operate to reduce the statute of limitations period for breach of contract actions or otherwise or reduce or eliminate any legal or equitable remedies.
17. **Third Parties.** Nothing in this Contract shall be deemed to create any right in any person not a Party hereto. A waiver or extension is only effective if it is in writing and signed by the Party granting it. One or more waivers by a Party of any term, covenant, condition, right, or duty in this Contract shall not be construed as a waiver of a subsequent default or

About the logo

Elements

The Yavapai County logo consists of two parts.

- The main wordmark “YAVAPAI COUNTY” is typeset using a modified version of the Pirulen typeface. Because it has been modified, it should never be re-typed as a logo.
- The mountain range and trees is an element in the logo and should not be used in place of the logo. It can be used as a design element as long as the complete and proper logo is present elsewhere in the same communication.

A word about color

Yavapai County Government owns a variety of computers, monitors, printers and other output devices. These may not show our colors as accurately as we might think, since we can't calibrate as often as we would like. The same document can look different from printer to printer and from monitor to monitor.

- Make sure you're working in the correct color space. Use CMYK for printed pieces; RGB or HEX colors for web or presentations.
- Make sure you're using the right logo for the job. Don't convert an RGB logo to CMYK in an Adobe application. It won't match.

Contact the Communications Office if you have questions or need assistance.
