In re Altering and	)

Road, Yavapai County,	)	RESOLUTION OF CONDEMNATION FOR
Arizona	)	COUNTY HIGHWAY PURPOSES

WHEREAS, a petition signed by a number of property owners in the Idylwild district was presented to the Board of Supervisors requesting establishment and improvement of a public highway into the Idylwild Tract, and

WHEREAS, at the direction of the Board the County Engineer after making several surveys of the area filed with the Board a report of a proposed course together with a map as finally surveyed showing the legal subdivision of the land traversed by the survey, and

WHEREAS, at the first, as well as the second, session of the first public hearing there was considerable difference of opinion as to the proper location of a road and written objections were filed against the road as surveyed, and

WHEREAS, at the final hearing there was continued and further opposition to the road, and to the proceedings and resolution establishing the road, as well as expressions of extreme dissatisfaction with the report and award of compensation and damages fixed by the appraisers, and

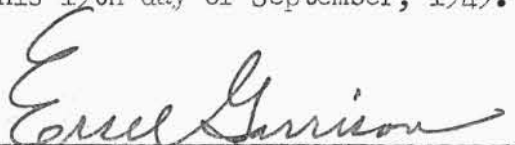

WHEREAS, there appears to be a lack of complete accord among the petitioners and others affected climaxed by the filing with the Board of written protest against the judgment of the appraisers and of the instituting of court action against the Board, and

WHEREAS, the Idylwild Tract is a subdivision without heretofore provision by its subdivider of legally designated and established means of ingress and egress, and, with ownership by several persons of large blocks of lots still presents the possibilities of smaller subdivisions within the areas, is in reality a matter of streets rather than of a road, and

WHEREAS, the Board of Supervisors finds it a difficult enough problem to provide adequate maintenance, betterment and construction of widely used and needed roads throughout the County with funds at its command without being subjected to demands and payments for rights-of-way to provide such roads and to defending law suits, now

THEREFORE BE IT RESOLVED that the Board of Supervisors hereby abandons, revokes, rescinds and declares null and void that certain Resolution of Condemnation for County Highway Purposes in connection with the petition for the altering and establishing of the Idylwild Road, dated and adopted by the Board September 6th, 1949.

DATED at Prescott, Arizona, this 19th day of September, 1949.

Chairman, Board of Supervisors
Yavapai County, Arizona
