

RESOLUTION NO. 805

ABANDONING A PORTION OF MULLEN WAY

NOTE: This Resolution, originally approved by the Board of Supervisors on September 5, 1989, was approved contingent upon certain stipulations being met. Those stipulations were never met and the Resolution was never recorded.

On January 13, 1992, the Board of Supervisors removed the stipulations and approved the resolution. Because of the length of time that had passed since the approval of the original Resolution, the Resolution was assigned a new number upon its approval on January 13, 1992.

Please refer to Resolution No. 861 in Resolution Book XVII. for information about this abandonment.
