Arizona Revised Statutes (A.R.S.) §11-661 requires counties to file a copy of their financial statements with the Auditor General's Office pursuant to A.R.S. §41-1279.07 within 9 months after the close of each fiscal year. These financial statements must be posted in a prominent location on the county's official website within 7 business days of filing the reports with the Auditor General.

We posted this form on our website in place of the financial statements until we file the financial statements with the Auditor General's Office. We have sent a copy of this form to the Auditor General's Office, the Speaker of the House of Representatives, and the President of the Senate.

If the financial statements are not completed as prescribed on or before our budget-adoption process pursuant to A.R.S. §§42-17103 and 42-17105, this form will be published in the budget for the subsequent fiscal year to notify taxpayers that the required financial statements are pending, the reasons for the delay, and the estimated date of completion.

County name: Yavapai County

Fiscal reporting year: June 30, 2019

Reasons for delayed report(s):

The Yavapai County Treasurer's Office went live with a new accounting software effective July 1, 2018 and has had problems reconciling their cash balances to the general ledger. The situation was further complicated by the loss of key accounting staff in the Treasurer's Office. The Auditor General's Office cannot proceed with the audit until the June 30, 2019 cash balances have been reconciled. A new County Treasurer was appointed by the Board of Supervisors and a new Chief Deputy was hired on February 24, 2020. The County Treasurer's Office continues to try to resolve the problems which have prevented them from reconciling cash balances.
