

Announcing another first from your
Yavapai County Recorder's Office!

Easily record your documents online!

This new portal makes submitting documents
from your home or office quick and easy!

Online recording offers many advantages:

- Eliminate the need to come into the Recorder's Office to record documents!
- Scan and submit your documents online!
- Enjoy a user friendly, familiar feel, like other popular websites!
- Easily pay by credit card!
- Save on paper and printing costs associated with traditional filing!
- Reduce the turnaround time required to get your original documents back!
- Track the status of all your requests from a single screen!
- Communicate efficiently with our office to resolve any issues or rejections!

Getting started is easy and no subscription is required.

Visit www.tylertech.com/webrecording to register for an account and start submitting today. In addition, you can visit

<https://yavapaiaz.gov/recorder/frequently-asked-questions-faqs> for more information.
