Governor Ducey's Executive Order – Stay Home. Stay Healthy. Stay Connected

Arizona Gov. Doug Ducey issued an executive order, effective yesterday at 5:00 p.m., which generally requires residents to stay home unless they have an urgent need to go out for specific allowable purposes – such as grocery shopping, trips to the pharmacy or the bank, and to periodically exercise at a space of six feet apart from others. In accordance with state statute this order can be enforced, with an opportunity to comply. [Here's the link to the Executive Order.](#)

YCCHS asks all Yavapai County residents to comply to protect yourself, your families, friends and neighbors from COVID-19. Even with mild symptoms, this virus is much worse than the flu for anyone. The most common symptoms of coronavirus disease (COVID-19) are fever, tiredness, and dry cough, and in severe cases, difficulty breathing. If you are having trouble breathing, [here's list of testing sites in Yavapai County.](#)

COVID-19 Town Hall Meeting Thursday Night at 6:00 p.m.

Arizona Governor Doug Ducey has announced plans for a statewide town hall meeting that will air on all the state's television stations. It will be an hour-long conversation about the latest information regarding the coronavirus pandemic. Also joining the town hall will be: Arizona Department of Health Services Director Dr. Cara Christ, Arizona National Guard Major General Michael McGuire and Arizona Superintendent of Public Instruction Kathy Hoffman. There will be no live audience at the town hall. However, members of the public can submit "virtual questions" in advance through local television and radio stations across the state.
