More Community Clinics Planned with PODs Reducing Hours

Spectrum Healthcare, the Community Health Center of Yavapai and Northern AZ Healthcare have offered community-based clinics in the past few week, and more are planned. Clinics have already been held in Black Canyon City, Congress, Paulden, Bagdad, Cordes Lakes, Wilhoit, Yarnell, Jerome, Seligman, and Camp Verde. Today, there is a clinic in Crown King, tomorrow in Mayer, and Friday in Rimrock. Next week, there is a clinic in in Sedona on Tuesday and Ash Fork on Wednesday. See the schedule for community clinics at the top of the Vaccine Information Page: https://www.yavapai.us/chs/Home/COVID-19/COVID-19-Vaccine-Appointments

Spectrum Healthcare has announced changes in days/hours for their PODS beginning this Saturday, moving the Prescott Valley POD from the Findlay Event Center to the AZ Dermatology location Saturday, Sundays, and Mondays from 8 a.m. – 4 p.m. The Cottonwood site at Verde Valley Christian Church, beginning April 12th will be open Wednesday, Thursday, and Fridays 8 a.m. – 4 p.m. through May 14. People with 2nd dose appointments on dates the PODs are closed can walk-in anytime during the days/hours the sites are operating.

Spectrum offers walk-in appointments 8 a.m. – Noon; YRMC is offering walk-ins, too – both with scheduled appointments given priority. The Prescott VA will accept walk-ins for their vaccination clinic for veterans, their spouses, or caretakers at the VA. The Pfizer vaccine is offered at several CVS pharmacies in the county, which is approved for people age 16 and older.

The Yavapai County Emergency Phone Bank is available to assist people without internet or computers at 928-442-5103.

Yavapai County reports 17 COVID-19 Cases and 1 Death. The county has tested **109,237** residents for COVID-19 with **18,388** positive cases and **491** deaths. Cross-referencing of cases for duplicates result in a net +10 cases. Yavapai Regional Medical Center reports **4** COVID-19 patients, VVMC reports **2**, and the VA has **no** COVID-19 patients.
