Pima	+520	Pinal	+159	Santa Cruz	+32	Yavapai	+115	Yuma	+159

Throughout our history, service men and women have been putting their lives on the line, paying the ultimate price, so we can be afforded the luxuries of being a free people. Now more than ever we need to thank the people who willingly choose to put themselves in harm's way to keep us safe. Whether its donating time, money, flying your flag... even the smallest gesture can go a long way in a veteran's life to let them know they are appreciated.

All County Offices will be Closed on Veteran's Day

Northern AZ VA Healthcare system remains in Phase 2 of reopening, which means face to face visits are limited to 50% to encourage distancing and avoid crowding in waiting areas. Providers are continuing to use video and telephone for medical visits. The screening process and visitation limitations remain in place for the safety of our veterans and staff. Those that do have reason to come in for face to face visits must go through screening upon entry, and wear a face covering mask at all times when indoors.

Influenza vaccination is being provided as a drive through service. Veterans do not need to have an appointment for receiving their flu vaccination and may remain in their car.

To all veterans of all branches: Thank you for your sacrifice, your bravery, and the example you set for us all. In short, thank you for your service!
