New COVID-19 Cases since Yesterday									
Apache	+1	Coconino	+37	Cochise	+5	Graham	+22	Greenlee	+16
Gila	+18	La Paz	+1	Maricopa	+594	Mohave	+10	Navajo	+20
Pima	+89	Pinal	+55	Santa Cruz	+1	Yavapai	+23	Yuma	+83

If you choose to vote early or on November 3rd — you can do it safely.
- Practice physical distancing and stay 6 feet away from poll workers and other voters.
- Wear a mask or other face covering to protect yourself, election workers, and other voters. Avoid touching your mask or face.
- Before and after voting, wash your hands with soap and water for at least 20 seconds. Or use hand sanitizer with at least 60% alcohol.
- If you are sick or concerned that you have been exposed to the coronavirus, seek medical care. If you don't have an absentee ballot, contact your local election office for guidance about your voting options.

How can I help keep the voting center or polling place healthy for everyone?
- Follow instructions for healthy voting at your in-person voting location.
- Wear a mask or other face-covering and maintain a physical distance of 6 feet to protect yourself, election workers, and other voters.
- Wash your hands for at least 20 seconds. Wash with soap and water or use hand sanitizer before and after voting.
- Avoid touching things not related to voting.
- Avoid sanitizing voting machines yourself. Voting machines can be sensitive and election workers are trained to sanitize equipment.

How can I reduce the number of people I have to interact with when I vote? If you can, go when the voting center will not be as busy, usually mid-morning or early-afternoon.

If you would like a mail in ballot, today is the last day to request one! Call 771-3248.
