YCCHS Update:

On September 16th and 17th, 2022, YCCHS partnered in the Yavapai County Stand Down event. This event is sponsored by [US Vets](#), and provides a centralized location for relevant information and health services. This year there were representatives from Yavapai County Legal Services, Catholic Charities, [Assistee](#), [NAU](#), [Prescott Area Shelter Services](#), [OrCam](#), [Polara Health](#), NACOG, and others. This event was significantly more popular and fruitful than in previous years.

In total, 189 veterans were served during this two-day event. Among the many services provided, the YCCHS provided the following to veterans:

- 93 total vaccinations which include Hepatitis A, Flu, and the COVID-19 Booster.
- HIV/HVC screening.
- Medical Supplies
 - o 100 Detera Bags
 - o 15 Soft Blanket Rolls
 - o 10 Water Proof Bags
 - o 3 Sun Shade Systems
 - o 100 In-Need Kits (socks, basic toiletries, hygiene items, COVID-19 tests and other useful items).

The success of this event demonstrates cohesion and coordination of the many healthcare providers within Yavapai County. Specifically, YCCHS fulfilled its mission with this event, and remains strongly committed to, *"provide leadership, information, and services that contribute to improving the health and well-being of Yavapai County Residents."* Even though there was a high number of veterans helped during the event, there are still those that aren't aware of this annual service or couldn't attend because of a functional or geographical limitation. YCCHS encourages any volunteers and community organizations to get involved and give back to those who have given the most!
