KIMBERLY AND VERONICA

SMOKEY AND VERONICA

On a chilly morning at the Prescott Courthouse, Kimberly and I were out reminding residents about the importance of preparedness. We also shared information about volunteering with the MRC - and I even got to meet Smokey Bear and snap a photo!

MRC STTRONG WORKSHOP

At the MRC sTTrong Grant Workshop in Flagstaff Sean and Veronica presented on the importance of having a ready-to-go bag for various scenarios, including staying in place at home or work. We emphasized the necessity of including not just essentials like hygiene items, food, water, and shelter supplies, but also activities for children to keep them engaged in emergency situations. Additionally, we showcased the key components of a nursing to-go backpack and demonstrated what a well-equipped vehicle emergency kit should contain.

Coming Soon

Please watch for a sign up for an upcoming volunteer meet and greet!
