New MRC Coordinator

Hello MRC Volunteers! My name is Veronica Stepanek, and I am thrilled to join the Yavapai County Medical Reserve Corps as your new Program Coordinator. I have been part of our county community for the past nine years, initially serving as an Administrative Assistant at the Sheriff's Camp Verde sub-station, and most recently as the Executive Assistant for the immediate past supervisor of District 3.

Prior to my tenure with the county, I spent 3.5 years working as a Program Service Evaluator III with ALTCS. My journey brought me to Arizona from Pennsylvania by way of New York City, where I held several administrative positions and worked as an HR payroll coordinator. Since 2012, my husband and I have made Cottonwood our home, and we greatly appreciate the natural beauty and wonderful weather that surround us.

I am genuinely excited about the opportunity to take on the role of Program Coordinator, and I look forward to meeting each of you in the coming months. Your dedication and hard work as MRC volunteers are truly inspiring, and I am eager to support and collaborate with you in our shared mission.

Please feel free to reach out to me at mrc@yavapaiaz.gov or call me at 928-442-5487. Thank you for all that you do!

New Ad Campaign

We are seeking volunteers to participate in filming various activities and potentially be interviewed. If you are interested in attending, please email me at mrc@yavapaiaz.gov. **More volunteer opportunities will be sent out shortly.** Thank you for your support.

New Public Health Emergency Response Coordinator – Sean Underhill

Hello MRC members. I'm Sean Underhill, the new Public Health Emergency Response Coordinator for Yavapai County. My family moved to Prescott in 2017 from Yuma, AZ. Before moving here, I was the Emergency Operations Officer at the US Army Yuma Proving Ground. Prior to that I was a Military Police Captain having participated in multiple statewide and overseas deployments. I've been volunteering with community organizations since I was in High School. From Search and Rescue to AmeriCorps, I enjoy giving back. As a volunteer Park Ranger for the City of Prescott, I created its Junior Ranger program and support its Nature Niños outreach. This goes along with my volunteer work as the State Advocate for Leave No Trace in teaching people how to Plan Ahead and Prepare so that they don't get themselves into dangerous situations, and if they do, they know what to do to recover. I look forward to working with you and thank you for giving back to your community.
