				EWALE ADDITION				
]	I hereby affirm that I am familiar with the design of this project and have been designated by the				
				Owner/Owner's Agent as the Engineer/Architect responsible for implementing the Special Structural				
				Inspections Program required by the 2018 International Building Code, Chapter 17. I have determined				
				that the types of work checked below require Special Structural Inspection and the individuals(s) or firm(s) named below are qualified to perform the Special Inspections. I understand and agree to inform				
				the project owner, the contractor(s), and				
			1	requirements and limitations, including	that t	the Special Inspect	or(s) must be independent third-party	
			i	individual(s) or firm(s) and shall not be the	ie inst	alling contractor(s)
